TERMS AND CONDITIONS

MSC Cruises will only consider benefit cards from other Cruising companies, Hotels and/or Tour Operators. Airline Company benefit cards are excluded. 5% cruise discount applies on bookings made after the Status Match registration and cannot be added retrospectively.

Matching is carried out by comparing as much as reasonably possible the level of benefits guaranteed from the external travel program benefit card with those offered by the MSC Voyagers Club cards (Conversion will be executed by MSC Cruises based on MSC Cruises criteria and may only be done once per consumer). Status Match registration is only available for passengers over the age of 18 years of age. It is not possible to register during the cruise. Applicants must allow up to 7-10 business days for status match to complete.

Guests will physically receive their membership card once on-board for their first cruise with MSC Cruises. It is not possible to combine MSC Voyagers Club points with points from the benefit card data of other companies. If a guest has benefit cards with multiple companies, he/she will have to choose which card to use to take part in the promotion. The MSC Voyagers Club card and membership will be subject to the terms and conditions of the MSC Voyagers Club. A copy of the MSC Voyagers Club T&Cs is available on the MSC Cruises website.

MSC Cruises reserves the right to reject any Status Match Request without any legal ramifications for legitimate reasons and to stop this program at any time. MSC employees may not take part in the Status Match Program. Status Match acceptance is for equivalent or higher level within the MSC Voyagers Program only, it does not match privileges.
